JOB'S DAUGHTERS MAY BE ORGANIZED

YOUNGER ORGANIZATION SPONSORED BY EASTERN STAR

COMMITTEE IS WORKING

Is Composed of Mrs. I. E. Tulloch, Mrs. Wilfred White, Mrs. H. S. Dowell, Mrs. F. P. Reuillard

Plans are being made to organize a chapter of Job's Daughters, a sister organization to the Order of De Molay, in Maryville. A committee from the Rosanna Chapter, No. 162, Order of Eastern Star, has been appointed to look into the matter of the organization of such a chapter in Maryville.

Job's Daughters is an organization founded by Mrs. Ethel T. Wead Nick of Omaha, Neb., for girls between the ages of thirteen and eighteen years. Any daughter, granddaughter, sister, half-sister, first or second cousin or neice of a Master Mason is eligible to membership in this order.

The members from the Eastern Star who are looking into the matter are are Mrs. I. E. Tulloch, Mrs. Wilfred White, Mrs. H. S. Dowell and Mrs. F. P. Reuillard.

Twenty-five girls are necessary to form a chapter of Job's Daughters. It would be a comparatively easy matter to obtain that number in Maryville as there are a number of girls who are eligible for membership.

The order of Job's Daughters is a similar organization to the Order of the Rainbow, which was started in Oklahoma a short time ago. Both of these orders are gaining in strength and popularity. In Missouri the order of Job's Daughters has been established and for this reason a chapter of it will be installed in Maryville rather than one of the Order of the Rainbow.

During Thanksgiving week 125 girls were taken into the St. Louis Chapter of Job's daughters. The order is growing in that city and its popularity is gradually spreading over the state.

At the meeting of the Eastern Star, which will be held Friday night, a report of the committee in charge will be made. If the report of the committee is favorable something will be done immediately in the matter of the organization of a chapter in Maryville.

Job's Daughters is to the Order of Eastern Star what the Order of De Molay is to Masonry. Both are younger organizations and both prepare for the higher work in the orders sponsoring them.

M. A. Peery, "dad" of the De Molays, today expressed his opinion of the new order and said that he heartily approved of the order and believed that it would be a great success in Maryville.

BIRDSELL AND PARTRIDGE CARS COLLIDE NEAR CASEY CORNER

No One Seriously Injured, But Both Cars Were Damaged in Collision

An unavoidable accident occurred Sunday afternoon about 5 o'clock at Casey corner, east of Maryville, when two cars, driven by Dale Partridge of Maryville and Paul Birdsell of Ravenwood collided. No one was severely injured in either car, but the occupants were badly shaken up and both cars badly damaged. Alene Birdsell, eight year old daughter of Mr. and Mrs. Birdsell, received several bad scratches and a bruise on her side. The others received only minor injuries.

The Birdsell car was coming from the west and the Partridge car was coming from the South, when neither driver saw the other and ran together. A front wheel and fender was torn off the Partridge car and an axle was sprung. The Birdsell car was turned over and badly smashed up.

In the Partridge car were Mr. and Mrs. Partridge and children, Robert and Marjorie, and in the Birdsell car were Mr. and Mrs. Birdsell and daughter, Arlen and neice, Mildred Slagle.

Arrested for Wife Beating

Bert Martin, negro, was arrested last night after his wife had complained to the city authorities that he had beaten her. She said that on December 1, he had assaulted her and that last night he ran her away.

The trial was set for Wednesday morning.

On Tuesday afternoon, the board of directors of the association will hold a meeting at the office of the association to go over this year's business and for the transaction of such business as may come before them.

On Wednesday morning, a meeting of the stockholders will be held. One of the first matters of business to come up will be the disposition of an amendment to the by-laws providing for the annual meeting of the association to be held some time in December each year instead of the first Wednesday in January. So far as is known, there is no opposition to the change of meeting date. If the proposition should carry then the annual meeting of the association will be held. At this time, three directors will be elected to succeed W. O. Garrett of Maryville; O. E. Wade, Rising Sun, Nebr, and S. McKelvie of Fairfield, Nebr. Other matters will also come up before the meeting.

CHRISTIAN CHURCH ELECTS OFFICERS

TWO ELDERS AND ELEVEN DEACONS CHOSEN YESTERDAY

BIG ANNUAL DAY CROWD

Meetings All Day Well Attended and About 400 Served at Noonday Dinner

The biggest crowd i nmany years, was the way the older members of the First Christian Church, characterized the number of church members that attended the "Annual Day" held at the Church yesterday. One of the boys, who helped serve the dinner estimated the crowd at over 400 an dit was necessary to serve twice in the dining room. From all standpoints it appeared to be one of the most successful annual meetings ever held at the Church.

In the morning tentative reports for the year were given and pledge cards were distributed to the members. Balloting was held for new officers and the following were elected: two elders for three year term, Albert E. Bell and W. C. Frank; eleven deacons, eight for three years, one for two years, and two for one year, who are E. F. Hamlin, R. A. Strawbridge, B. A. Frost, Newt Hagins, H. H. Lyle, E. C. Moore, L. M. Rilea, W. L. Rhodes, W. H. Swinford, Marion Smith and Fred Kellar.

The following program was carried out in the afternoon and evening sessions:

Conception College — Herold and Nagle, forwards; J. Nagle, center; Phaple and Coleman, guards.

MARYVILLE MAY GET THE STATE POULTRY SHOW

For Next Year—Moberly and Mexico are Both Trying to Get It Though.

It has not been definitely decided whether or not Maryville will entertain next year's state poultry show. At a meeting of the executives of the show which was held at Fayette last week, R. A. Kinnaird, representing the Maryville Chamber of Commerce, the citizens of Nodaway County and the county farm bureau, presented the name of Maryville as the place for the holding of the show next year.

However, Moberly and Mexico are both working for the show and the committee decided not to decide the place until a meeting which will be held in Kansas City January 4.

BEARCAT SQUAD TO SCRIMMAGE WITH THE PICKERING FIVE

The State Teachers College Bearcats will scrimmage tonight with the Pickering team. Howard Leech of the College squad is helping the Pickering boys and he is bringing them here. Coach Maynor is going to practice his men against them in an effort to ascertain just what sore of material his squad really is. The practice will be called at 7:30.

Mrs. Bohm Here.

Mrs. Henry Bohm of Denver, Colo., arrived in Maryville at noon today to spend the holidays as the guest of her daughter, Mrs. Ferdinand Townsend, and Mr. Townsend, at Terrace Place.

KINNAIRD RETURNS FROM COUNTY AGENTS MEETING

At Columbia, Where He Was One of Sixty Representatives—An Instructive Week.

R. A. Kinnaird, county farm agent, returned Saturday night from Columbia, where he attended a meeting of the farm agents of Missouri. Sixty counties in the state have farm agents and all sixty of them were at the conference. The agents held daily conference last week with specialists in each department of extension service.

The most important thing of the meeting was a detailed program of work which was given each agent for the year 1923. These program were made after much consultation and tend to keep the farm agents up-to-date in their work.

Reports were made by members of the experimental staticians staff on results obtained from the investigation of the past year in the experiment stations.

PIERCE ATTENDS STATE BOARD MEETING SATURDAY

Dr. Campbell of Chicago Was Selected To Head the St. Joseph State Hospital

W. C. Pierce returned yesterday from a meeting of the state eleemosynary board held in Jefferson City Saturday at which time Dr. Duncan D. Campbell of the medical staff of the Chicago state hospital for the insane, was elected superintendent of St. Joseph state hospital. Dr. Campbell will take charge of that institution January 1.

Dr. Campbell was elected on the recommendation of Dr. George P. Ard, state medical director, who has been acting superintendent of the St. Joseph hospital since last May, when Dr. A. C. Vickery of St. Louis resigned the position.

The session of the eleemosynary board was largely devoted to preparing the budget for the six state institutions under its charge.

Totals of this budget are not yet available, but it was said by Dr. Ard that the institutions will ask for practically what was appropriated two years ago. Increased appropriations will be asked for the Mount Vernon sanitarium and for the colony for feeble minded at Marhsall.

EVERETT KEMP, MONOLOGIST TO APPEAR ON LYCEUM TONIGHT

Season Tickets and Posters Stating Dec. 28 Erroneous—He Comes Well Recommended

Everett Kemp, "The Man With a Million Dollar Smile," will appear at the First Methodist Church tonight at the second number of the lyceum course. This number will be held tonight instead of December 28 as stated on the season tickets and posters.

Advance matter on this number says that if you attend this number you are going to laugh loud, long and heartily. The daily Texarkanan had the following in regard to a chautauqua entertainment by Kemp:

"This afternoon another brilliant program was given to Chautauqua patrons with Everett Kemp, entertainer, opening the season. Persons who have been suffering with the blues, who are worried over business cares or otherwise bothered, might have done well today to attend the Chautauqua afternoon session just to have a good hearty laugh and forget troubles for a while. Kemp is chacterized as "The Man With A Million Dollar Smile" and fully exemplified this afternoon that he is entitled to it."

Mr. Kemp arrived in Maryville at noon today. He appeared on the chautauqua platform here about eight years ago. Mr. Kemp has been in lyceum and chautauqua work for about twenty years and this summer he and the Rev. J. A. Cooper traveled together on the Redpath-Vawter circuit. He is also an acquaintance of the Rev. Robert Finch, who formerly lived here. His feature number tonight will be "The Music Master," by Klien. Mr. Kemp came here from Clay Center, Kansas and will go to Carthage, Mo., from here.

Mr. Kemp visited the Maryville High School this afternoon and give a short talk to the student body.

In his talk Mr. Kemp explained to the students just how to tell a good story and how to conceal the point until it is ready to be sprun. He said that there were three kinds of stories and in explaining these three kinds he also gave humorous stories which illustrated his point. The three kinds that he mentioned were the stories which have no point, the stories which the point is concealed until the last and then is sprung, and the story whose point is brought about by muscular action.

A chorus of girls under the direction of Mrs. W. N. Deatherage will carry out a part of the carol singing. Miscellaneous speakers will present some phases of world activity and needs, following which each department will contribute some feature to the program as they bring their white gifts and place them in the big mail bag held in readiness by the world postman.

The Junior, Primary and Beginner's department will each have a Christmas party during the week at which Christmas tree and Santa Claus will be in evidence.

HOPE GIVEN UP FOR THE 27 MEN VICTIMS OF LAKE STORM

The Tug, Reliance, Was Wrecked in Lake Superior Gale, with 36 Aboard—Only 9 Accounted for

Sault Ste Marie, Mich., Dec. 18—Twenty-three persons, members of the crew and passengers on board of the tug Reliance, believed to have lost their lives in the severe gale on Lake Superior last Wednesday, are safe on board the tug, Gray, according to a wireless message received from that vessel late this afternoon. No mention was made of the other four persons missing.

The wire simply stated that twenty-three were on board and no details of the rescue was given. It is said that they were rescued early this morning.

Sault Ste Marie, Mich., Dec. 18—All hopes for the lives of the twenty-seven men, passengers and crew, who were wrecked on the tug, Reliance, when hit by a blizzard off Lizzard, five days ago, was banished today after finding two overturned lifeboats known to have been carrying the party.

There were thirty-six on the tug. The tugs, Favorite and Gray, were dispatched to the aid of the Reliance, but have reported by radio that they were unable to weather the blinding snowstorm and gales lashing on the sea.

Nine passengers of the ill-fated ship are safe in Ontario. They found shelter ninety miles north of here being were more dead than alive after the trip.

Two others, Mr. and Mrs. Jake Harten, cooks on the Reliance, have been rescued after a most perilous journey. They both fell unconscious after battling knee deep snow for twelve miles after landing on the beach last Wednesday. Mrs. Harten was without shoes, they having been burned around the fire made after the party reached the shore. So desperate were they that after the collapse of others they dared not remain to tend to them fearing that all would die.

GREAT SHIP MELCOW IS IN DISTRESS IN CANADIAN WATERS

Boston, Dec. 18—The great ship Melcow, is in distress in Canadian waters, according to a radiogram received at the navy yards here today. Although not in immediate danger, it was stated, the steamship George Washington has gone to the assistance of the Melcow.

Gordon Roach returned Saturday night from Okmulgee, Okla., where he visited relatives for six weeks.

Misses Cecile and Lucile Collins and DeLois Collins of Parnell were Maryville visitors Saturday.

ALL COLLEGE BUDGETS WILL BE CUT BY TAX COMMISSION

M. U.'s Request for 5 Million to be Cut to 3 Million and Teachers' Colleges Accordingly

Jefferson City, Dec. 18—The request of the board of curators for a five million dollar appropriation for the state university at Columbia for the next two years will be trimmed to three million by the state tax commission in its recommendation to the next Fifty-second Assembly. The members of the commission have been working for a week on the various appropriations and say that the budgets will have to be trimmed. Both of the state institutions and state Teachers Colleges have made requests for new buildings. These include the colleges at Maryville, Warrensburg, Springfield, Kirksville and Cape Girardeau.

HARDING TO CLANP PROHIBITION LID

GOVERNORS MEET TODAY AT THE WHITE HOUSE

WILL NOT MINCE WORDS

President Will Talk Straight from the Shoulder and Urge Better Prohibition Enforcement

Washington, D. C. Dec. 18—Responding to an invitation from President Harding, governors from fifteen states came to Washington today for a conference at the White House to discuss ways and means of effectively clamping on the prohibition enforcement lid.

The governors came here fresh from their three days' conference at White Sulpher Springs, W. Va., where they had informally discussed the same matter of prohibition enforcement.

The present system has not brought the highest desired efficiency in enforcement and President Harding will "mince" few words in making it clear that federal and state authorities must unite in closest co-operation to combat liquor. Only in this way, Harding believes, will the "national scandal" of prohibition referred to in his annual message, be dealt with.

The question of prohibition or it's expediency is not an issue in this conference. Harding is now only concerned with effecting an efficient method of enforcing the present law. At the outset he will make this clear to the governors.

While the President blames no special individuals or agencies for the let down of enforcement, he is of the opinion that it has been due, in no small degreee, to a lack of proper and harmonious co-operation between the prohibition enforcement units in state as well as in national organization. Because of the magnitude and scope of the work, it is a well nigh hopeless task to tighten up the lid without assistance from the state.

On these grounds, President Harding will appeal to the governors for aid in improving the general prohibition enforcement machinery.

Washington, D. C. Dec. 18—Closer co-operation between the state and federal authorities in enforcing prohibition is not alone sufficient to clamp down the dry lid, Governor Allen of Kansas, here to attend the conference declared to an International News Service correspondent today. In addition, the public must be made to realize that prohibition enforcement will mean "great economic prosperity, individually and nationally."

DENVER THUGS GET $200,000 IN CASH

TAKEN TODAY FROM U. S. MINT TRUCK

ALL WAS IN $5 BILLS

Money Belonged to Federal Reserve Bank—Hold-up Was In Busy Part of Town

Denver, Colo., Dec. 18—Staging one of the most sensational robberies since the thrilling old days of the West, four armed bandits held up a truck of the government mint and escaped with three sacks of money, admitted by officials of the mint afterwards, to contain over $200,000.

The bandits drove up at West Colfax and Cherokee streets in a Buick car just as the government machine left the mint building. With a score of pedestrians looking on, two rushed from the rear doors of mint car, while the other two leveled revolvers at the driver. When an attempt was made to disobey their commands, the bandits opened fire and Charles Kenener, fell from his seat with a bullet in his stomach. He will probably die.

Fifty employees of the mint heard the shooting and rushed to the street and opened fire upon the desperados. One of the band fell but the comrade stopped to pick him up and they escaped to the south in their car.

Superintendent Grant of the mint, said the sacks contained $200,000, mostly in five dollar bills. The robbery was staged in one of the busiest sections of Denver. A terrific rain of bullets came from the windows of the mint, but the bandits tenaciously stuck to their efforts of obtaining the loot. There were three guards on the motor truck with the driver.

The bandits escaped in a rain of bullets. They fled to the south, pursued by a horde of police, mint officials and special officers.

According to Superintendent Grant, all of the money taken was in five dollar bills and belonged to the Federal Reserve Bank. Because of the lack of adequate vault protection, large sums of money for the bank are kept in the vaults at the mint.

HAROLD BUSBY, 11, LOST TO HIS PARENTS, IS FOUND

Boy Had Gone Home With a Neighbor But Did Not Notify His Parents Of His Whereabouts

Harold Busby, the 11 year old son of Mr. and Mrs. Edd Busby living near Maryville, was lost from his parents from late Friday afternoon until 6 o'clock the next afternoon. Mr. and Mrs. Busby and Harold had come to Maryville to shop and when ready to return home, they were unable to find the boy. Thinking he had gone home with someone else, they went on home, but he hadn't shown up. Not hearing any word from the boy they came back to Maryville Saturday to continue the search. Late in the afternoon they got a clue to his whereabouts and found out that he had gone home with Jim McGinnis, a neighbor, and it being late, he decided to stay all night and did not notify his parents as to his whereabouts.

WILBOURN GRIMES INJURED WHEN HIS HORSE RUNS AWAY

A Broken Shoulder and Other Painful Injuries Sustained in Runaway This Morning

Wilbourn Grimes, living 8½ miles southwest of Maryville, received a broken shoulder and other painful bruises this morning about 8:30 o'clock when the horse he was driving ran away. Mr. Girmes was taking his grandadaughter, Mildred Ballah to the Highland school, southwest of Maryville when the horse became frightenend. The buggy was upset and Mr. Grimes was dragged quite a distance. The little girl escaped unhurt. The injured man was removed to St. Francis hospital about 2 o'clock this afternoon and he is suffering much pain from his injuries. This made the third runaway for Mr. Grimes and his left shoulder had been injured before.

WALLACE REID WINNING HIS FIGHT TO REGAIN HIS HEALTH

Famous Movie Star Has "Sworn Off" Of All Stimulants and Influenza Sets In

Los Angeles, Dec. 18. — Friends of Wallace Reid, screen hero of a score of thrilling auto races and love scenes, was cheered today when it was announced that his temperature had fallen to normal, after the best night's rest he has had since his removal to a Hollywood sanitarium.

Reid has been suffering from an attack of influenza, as a result of his determined effort to break himself of the liquor and drug habit. He has been ill with a temperature of 104 and near death's door, and went to the mountains three months ago to begin a determined fight to win back his health. Since that time, his wife says, he has not touched stimulants in any form. But the sudden break of the use of stimulants left him in such a weakened condition that he was unable to fight influenza when it attacked him.

He is still very weak and subject to a relapse any time, and the serlousness of his condition has not been made known to him.

VICAR BLAMES DIVORCE EVIL ON THE IDLE RICH

Caused by Crowd of Over-dressed and Under-worked Men and Women.

London, Dec. 18.—It is not the "poor workingman" who wants divorce made easier, but the "crowd of over-dressed, over-fed and under-worked men and women who have too much time on their hands and not enough honest employment to keep them morally clean," in the opinion of an irate Bristol vicar who aired his view in a recent letter to the Sunday Express.

The vicar protested strongly against making divorce easier, contending that the reform should come in "the peroid before marriage when the choice is made." Once a vows taken, the minister contends, the contracting parties should not "squeal."

Those who would make it easier to sever the bonds of matrimony, the vicar asserts, are revertling to "the morals of the farmyard and the manners of the monkey."

STATE PROFITED THIS YEAR FROM THE TOURISTS TRAFFIC

The rapid development of Missouri as an attraction for motorists is indicated by figures just prepared by the Automobile Club of Missouri. In 1921 the Club distributed maps, logs and the like to 14,926 persons, either starting on trips from St. Louis or passing through the city from other points. In the first ten months of 1922 more than 26,000 trippers were accomadates and the number will have reached 30,000 before the beginning of the new year.

It is estimated by competent calculations that Missouri profited to the extent of $20,000,000 this year from the tourists traffic entering the state from Kansas City and St. Louis at both of which places the Automobile Club of Missouri maintains fully equipped touring bureaus.

These are not only at the service of members of the Missouri Club but for the members of all clubs affiliated with the American Automobile Association. For a nominal fee the club also serves motorists who are not connected with any organization. Through its connections with the A. A. A. the Automobile Club of Missouri is enabled to provide its members with touring service free of charge in every city in the United States and Canada.

AUTOMOBILE CLUB HAS TWELVE DIVISIONS IN STATE

Through the opening of new division headquarters at Maryville in Nodaway County, the Automobile Club of Missouri has extended its services to the far northwestern corner of the state and thus completed the work of covering Missouri from one end to the other with official garages, touring bureau and other aids to motorists. George A. Pickens, secretary of the Maryville Chamber of Commerce is head of the club's advisory board in the new division and a member of the Board of Directors of the organization.

Including St. Louis, The Automobile Club has now twelve divisions centering in the following cities; Kansas City, Joplin, Moberly, Sedalia, Hannibal, Jefferson City, Rolls, Cape Girardeau, Springfield, Chillicothe and Maryville. Three hundred official garages are scattered throughout the state, under bond to render free and efficient service to the members of the club wherever they may be in the state. These garages have been so located that no matter where a motorist may be in the state he is within no more than thirty minutes from help in case of a breakdown.

Family Remembrances

There are few things that you can give that will be a remembrance to the whole family like a piece of furniture. It is something that all can use and stand in the home to recall the Xmas you "Said It with Furniture," for a generation. Try it and see how long your favor will be left in the home a daily reminder of your gift.

That all may be given more time to shop, we will keep open evenings all this week.

HOPKINS AND B. J. WIN CLEARMONT TOURNAMENT

Which Was Held Saturday—Seven Teams Entered—Earl Miller Was the Official

The Hopkins boys team and the Burlington Junction girls team won the championship of the tournament which was held at Clearmont last Saturday. In the final game the Hopkins boys won from the Clearmont boys by a 44 to 17 score and for the title in the girls class, the Burlington Junction girls won from the Hopkins six by a 12 to 9 score.

In the Hopkins-Clearmont game the Hopkins boys pivoted their way to victory. Pivoted their way because it was this artifice which paved the way to victory. The Clearmont team, larger than their opponents, was unable to fathom the rapid turn of the Hopkins team until too late and the visitors won.

The game for the girls title was fast and close as the score indicated.

In the first round the Clearmont boys won from the Burlington Junction boys and the Burlington Junction girls won from the Clearmont ladies. The Hopkins boys slaughtered the Quitman boys and the Hopkins girls drew a bye as there were only three girls teams entered.

All of the games of the tournament were refereed by Earl "Doc" Miller of the State Teachers College basketball squad. Miller spoke highly of some of the teams in the tournament and of some of the individual teams.

WILSON'S BIRTHDAY TO BE OBSERVED THROUGHOUT NATION

December 28 will be observed throuhout the United States as Woodrow Wilson Day by friends of Mr. Wilson and contributors to the Woodrow Wilson Foundation. Mr. Wilson will be 66 years old that day.

Public meetings, diuners and luncheons have been planned in every state in the Union by state and local committees of the Foundation.

Up until election this year the Foundation had raised about $700,000 toward its million dollar endowment. The day after election work was started to obtain the final $300,000. One hundred thousand dollars of that sum has been contributed. The Foundation hopes to raise the balance this year.

The Foundation will complete its incorporation this year and the permanent board of trustees will take charge soon after the first of the year.

GUILFORD AND BETHEL TO STAGE ANNUAL RABBIT HUNT

Bunny-Chasing to Be Held Thursday And Banquet Will Be Given Saturday Night

The annual rabbit hunt of the men of the First Methodist Church of Guilford will be staged Thursday of this week. This is one of the big affairs of the year for the church and from a hundred to a hundred and fifty men are out on this day to vie with one another to waylay the bunnies. The hunt will be staged by two divisions between the men of the Guilford Church and the "Bethel Bunch." The losers will wait tables at the banquet Saturday night to be given in the basement of the Guilford Church.

The young people of the Epworth League of the Church will give the program at the banquet. The proceeds of the hunt will go to benevolent activities of the church. The Rev. Van D. Swearington is pastor.

AUTO GRADUALLY CUTS HORSE'S MARKET VALUE

Waterloo, N. Y., Dec. 18.—The days of Old Dobbin are past.

The gasoline motor is replacing him so fast, both on the farm and in the city, that he brings less than one-half of his valuation of two years ago, regardless of how strong and sound he may be.

An analysis made of recent auction and private sales in Western New York shows that horses have brought an average of but $90 each, while two years ago the figures were from $150 to $200.

Miss Besse Scott of Chillicothe is visiting in Maryville with her parents, Mr. and Mrs. D. N. Scott.

BRITISH FIND JOBS FOR IDLE WORKERS

Government Projects Under Way To Solve Problem Of Employment.

London, Dec. 18.—The British Government is making a drastic attempt to deal with the situation caused by the existence of 1,300,000 unemployed in Britain.

It aims at putting in operation works which, while giving employment and good wages to vast numbers of unemployed will ultimately prove remunerative value to the country.

Among the adopted proposals are the making of the new arterial roads throughout the country, in particular one from Manchester to Liverpool, which will employ 20,000 men for many months.

Loans are to be made to towns throughout the country to assist in putting into operation public works of local utility and improvement.

A new system of land drainage is to be put in force in various places which will employ 20,000 men for twenty weeks.

New afforestation will employ 6,000 workers for five months, and 5,000,000 pounds will be immediately expended on the improvement of great railroads.

Powerful electric power stations are to be set up throughtout the country.

Finally, a guarantee of 50,000,000 pounds will be given to merchants, corporations and banks to speed up the foreign trade of the country.

The Government hopes that initiating these works will set other trades in operation and so stimulate the general business condition of the country early in the new year.

SIR AUCKLAND GEDDES AND SEC. DAVIS TO DISCUSS IMMIGRATION

Washington, Dec. 18.—Sir Auckland Geddes, British ambassador, will be the guest of Secretary of Labor, James J. Davis, at his home at Ellis Island on December 27 and 28, when plans for improvement of the New York immigration station will be discussed, it was announced at the Department of Labor today.

M. E. Ford Returns Home.

Produce Review

The butter market is closing lower than a week ago, due to some increase in production coupled with small importation of butter from Denmark, but the distribution of butter for current use has been much lighter, because of decreased consumption. Prices paid for butter fat are lower, in sympathy with the butter market.

There is still a good deal of butter arriving that does not score as high as it should, thereby reducing its selling value. Better care of the cream and utensils, and more frequent deliveries will enable creameries to make better butter.

Arrivals of fresh eggs are increasing with a good demand noted for fine stock.

The holiday movement of poultry has been very heavy, but trading has been fairly satisfactory and stocks are cleared daily by placing the surplus in cold storage for future use.

The poultry industry has made great strides during the past few years, due to the general average improvement in the quality of birds as well as a decided increase in the number. During recent years, the producer has learned that the hen is the most reliable producer, and a year round cash crop. The improvement in the farm crop of poultry is due to the general recognition of the value of pure bred and standard bred foul as compared with "scrubs."

During the next few weeks, many producers will cull their flocks and most poultry dealers will be willing to trade, on a pound-for-pound basis, standard bred fowl and roosters for such stock as the producers desire to dispose of.

SMOKES PIPE 44 YEARS; BURNS TON OF TOBACCO

Sherman, Texas, Dec. 18.—Something new in the way of "world's records."

William Pitts was the recipient of a meerschaum pipe as a gift from a friend in 1878. He has been a constant devotee of the weed ever since, but has never permitted another pipe to touch his lips. He believes that he holds the long-distance record. He estimates he has smoked about a ton of tobacco in the one pipe.

Fowl Market Glutted.

Pomeroy, Ohio, Dec. 18.—A recent shipment of 12,000 pounds of turkeys and chickens by boat to Pittsburg by a local concern resulted in a big financial loss. When the cargo reached its destination it was found that the market was overstocked. Prices went below first cost. Part of the fowls were placed in cold storage. The rest were shipped back here.

TRUCK CARRIES RADIO RECEIVING APPARATUS

Hanamo Telephone Co. Installs set On Car And Pedestrians Listen On K. C. Star.

Quite a sensation was caused on Main street late Saturday afternoon when the Hanamo Telephone Co. truck came around the corner of Third and Main, fully equipped with a radio receiving set. It was not so much what the spectators saw as what they heard. Music was coming from the Magnavox which was placed on the top of the truck.

H. C. Todd and Ernest Kessler, of the Telephone Co. had installed a set in the car and had made possible to tune in on a concert without the use of a ground wire. This was done by the use of a Mur-Ad six cell set which does not require grounding.

The truck stopped in front of the Bee Hive Shoe store and the bystanders were permitted to listen in on the regular afternoon concert of the Kansas City Star.

The Hanamo Co. has taken over the agency for the Westinghouse and Mur-Ad sets and many instruments are being sold.

A miniature serial was installed in the radiator cap of the car and the set proper was placed on a swinging platform in the rear of the car.

This is the first time that a thing like this has been seen in Maryville and goes to show the phenominal delevopment of radio.

M. U. WISHES TO KNOW MORE ABOUT NODAWAY COUNTY WORK

Head of University Rural Sociology Department Writes Secretary Pickens for More Information

The University of Missouri wants to know more about Nodaway County. The rural sociology department of the University is interested in the Chamber of Commerce work being done in the county. George A. Pickens, secretary of the Chamber of Commerce has received a letter from E. L. Morgan, professor of the rural sociology department, asking for more information in regard to the work being done here. The following is a portion of the letter:

"Mr. Barnes of the St. Louis Chamber of Commerce told me something of the work of your Chamber and suggested that I write you concerning the activities of the work in your county."

"I want to use such information in connection with our plans of training commercial club secretaries, and will appreciate tremendously any information you can give me."

S. T. C. "RAZZERS" IS BEING ORGANIZED FOR THIS YEAR

College Pep Distillery Is Being Formed for the Basketball Season by Mapel and Conners

Twenty-five men students at the State Teachers College will this week be asked to form the membership of the Teachers College Razzers, an organization formed for the furtherance of school spirit and pep at the College.

Last year the Razzers were formed and made one appearance toward the last of the basketball season at a girls' game which was held at the Maryville high school.

The organization this year will be made in a different manner than of last year. The boys who form it will be chosen and voted upon before they are asked to belong.

The matter is being handled by Fred Conners, yell leader at the College and William Mapel, a former cheer leader. With the assistance of some capable assistants these two students are going over the roll of men students at the College and are choosing the twenty-five men who will do more for the organization and for the school.

The organization is based on that of the same name at the University of Missouri. It will be on the same order and will have the same purposes.

The Razzers will make their first appearance at the first basketball game of the State Teachers College schedule. Just what will happen is not known but from the appearance last year there will be something out of the ordinary.

The Razzers will be for the basketball team what the College Commerce Club was for the football team. They will instill pep into the crowd and will plan stunts for every game.

In speaking of the matter this morning Conners said, "We are organizing the Razzers this year to give school spirit a boost and to make things lively. We expect to co-operate with the administration of the school and we expect the support of the student body."

Mapel said, "It is evident that some sort of an organization is needed to add to the support of the Bearcats and we are going to have one that will meet the need and in addition will be an asset to the school, for we believe that in some way or other we can help out and that's what we are going to do."

DRY DETECTIVE CARRIES OFF EVIDENCE IN MOUTH

Cortland, N. Y., Dec. 18.—A private detective employed by Cortland County to get evidence against Thomas Riley, local "mine host," believed to be violating the Mullan-Gage dry law, will have to tell how he carried away the evidence in his mouth when the case is moved for trial in County Court here.

The county authorities say the alleged liquor was later poured into a bottle and preserved as evidence against Riley. Prohibition enforcement knows no similar case, it is said.

BARNARD METHODISTS RAISE $2,446 IN FORTY MINUTES

Amount Asked for in Church Remodeling Expense Quickly Oversubscribed—All Day Meeting Held.

In less than forty minutes $2,446 was raised yesterday by the members of the First Methodist Church at Barnard as the final amount for the remodeling work that has just been completed on their church. A total of $2,416 was asked for yesterday and in a short time it was oversubscribed by $30. A new basement has been put under the church and it has been plastered, painted and entirely remodeled.

The Rev. Ernest Snider of St. Joseph preached at the morning and afternoon meetings and raised the money. In the evening the Rev. C. H. Sauceman of Westboro preached.

A big crowd was in attendance at the all day meeting and a generous basket dinner was served at noon. The Rev. Alva Huff is pastor of the Barnard church.
